Sir:

In response to the Office Action mailed November 20, 2002, please amend the above-identified application as follows.

IN THE CLAIMS

Please cancel claims 6, 9 and 18 without prejudice or disclaimer.

Please replace claims 5, 7, 8, 10, 17 and 19 with the following:

5. A method for moving an object in a graphical user interface, comprising the steps of:

identifying a starting location for the object;

selecting a final location for the object;

displaying said object at sequential positions along a said path from said starting location to said final location at increments of time, such that the distance between successive positions varies in accordance with a non-linear function so that the object appears to be moving at a changing velocity.
